

Pray for CITIES

Did You Know?

While 54% of Earth's population lives in cities, just 13% of Adventist populations are located in urban areas

4 out of 5 Americans live in metropolitan areas

There are 14 cities worldwide with a population > 20 million

Over 60% of the world's 19.5 million refugees live in cities

Pray Globally

for 500+ cities with population > 1 million

for 43 cities with population > 1 million, and no Adventist presence

for Tokyo, Shanghai, Bangkok and other massive cities in the 10/40 Window

for Urban Centers of Influence to be established in least-reached cities

Pray Locally

"that we might see the needs of these cities as God sees them!"
9T 101

for your city's leaders

for neighbors and newcomers who need Jesus

to have love for anyone you don't feel like helping

for God's Spirit to work in and through you for your city

HappyHand is an urban center of influence in Denmark

"O that the present truth might be proclaimed in every city! This great need is kept before me night and day...."
