Prayer Walking from the Butterfly Church

Have you ever wondered what God might do if you and fellow church members started walking through your home communities praying for people, and praying for the salvation of souls?

This week with United in Prayer we have a special treat. We want to share a short 2 minute video, hosted by Andrew McChesney with Adventist Mission, that tells the testimony of how God is answering the prayers of the Butterfly Church members in Telaruka Tawain.

As they say, a picture is worth a thousand words. And this is one picture testimony you don't want to miss. <https://youtu.be/xPXcT6Hon0s>

I'm at the Telaruka church in southern Tawain. Every morning the church members get together at 6 O'clock to do something very special. Lets find out what they do.

I saw church members sing songs of praise and then pray for God's guidance.

After that we set off on a walk of prayer around this village of 600 people. The church members go on this prayer walk every morning.

We stopped at the home of a woman who is going to be married next month and we prayed for her. Then we prayed for a grandmother who has cancer. Our last stop to pray was in front of the town hall building. Then we ate a breakfast of bread, warm soymilk, apples, pineapples, and mangos.

Pastor Calvin told me that because of this prayer walk, 25 people have been baptized in just six months. His church now has 65 members.

I leave this Butterfly church inspired to pray even more. Let's all pray more!
