## Young People Share their Miracle Stories

"One of my friends was really struggling spiritually under the weight of depression. She also was struggling in her devotional life, and seemed to find Bible study boring and dry. I wanted to help, but I wasn't sure what to do, so I decided to lift her up to the Lord in prayer for 40 days as I followed the Dennis Smith book, "40 Days: Prayer and Devotions to Revive Your Experience with God." After nearly 30 days of praying, my friend started to study the Bible again. Not long after, she shared that her walk with God was growing and she really loved studying God's Word. What a miracle! I then told her that I'd been praying for her, following the 40 Days of Prayer program. She was so happy that she decided to join me in the remaining 10 days of my 40 days of prayer. What a blessing these days of prayer were to both of us, and what an answer to prayer God gave! We just praise the Lord for His goodness." – *Lizeth from Weimar, CA*

"My friend asked me to drive them to the airport one day. I thought I had enough gas to make it all the way, but as we were driving I realized that my gas-tank gauge was on empty. Unfortunately, there were no gas stations nearby. I set my car odometer to track the miles, and began charging my phone so that the GPS unit could locate the nearest gas station. It was farther away than I had ever driven on empty before. I was very nervous, but began to pray desperately. "Lord, please help us to get to the gas station so we aren't stuck beside the road, and so my friend doesn't miss her plane." We were four miles from the intended gas station when another gas station came into view. "Why wasn't this on the GPS?" I wondered. Gratefully, I pulled over and filled the car with gas. As I paid for my gas, the lady at the checkout mentioned that they had only opened the day before. I praised God silently in my heart. I believe He put that gas station there just for me! I don't think we would have made it to the further station. It may seem small, but it was a big deal for me. God really cares about His children and takes care of their needs." – *Danielle, Ooltewah, TN*

"Shortly after I was converted to the Seventh-day Adventist faith, I chose to volunteer as a missionary in Laos for 3 years. It was during this experience that I really came to know God's love personally. It was also during this time that I was privileged to give Bible studies to some of our Lao-Buddhist friends. One of those friends was a girl named Nut. I prayed earnestly for her as we studied together. She was baptized in March this past year! Providentially, God worked it out for her to come with me to the Generation of Youth for Christ Conference held in Phoenix, Arizona in December. Her conversion was an answer to prayer for me, and the fact that she could come with me to the conference was also a huge miracle." – *Sarah, Sacramento, CA*
