March 31, 2019 God Intervened and Saved Her Life!

Testimonies from 10 Days of Prayer

During the third day of 10 Days of Prayer, I was praying from the front of our congregation when I was convicted to plead for God's divine intervention. "Someone is in the process of committing suicide," I prayed. "Dear Lord, please don't allow them to succeed. Please intervene." The next day I was shocked to find out that my very own aunt tried to commit suicide. But because of our prayers, God intervened and saved her life. As I write this testimony, she is doing well and God is at work in her life. We are all praising the Lord for His miraculous answer to our prayer.

I am so grateful to the Lord for these 10 Days of Prayer and fasting. It has been my prayer since 2016 that our church would become actively involved in the 10 Days of Prayer initiative, and this year we were. Our church formed prayer zones around the city, where groups of church members met and prayed every day. There was good participation in each zone, and it's obvious that the Lord is answering our prayers and filling our local church with His presence. I'm so thankful for the promise of Jeremiah 33:3, which says, "Call to Me, and I will answer you, and show you great and mighty things, which you do not know." God has answered my prayer!

As a result of the 10 Days of Prayer, God has been doing a very deep work in my heart. I have been struggling with forgiveness, but God has changed my heart. He has given me a heart of forgiveness for those who have hurt me; He reminded me that He has forgiven me most of all. Also, I used to be afraid to witness for Christ, but God has taken this fear away, and now I am sharing with others about Christ without fear. What a miracle! Another blessing I've experienced is healing. I've been struggling with a chest infection for some time, but this is going away, praise the Lord. I know God has heard my prayers, and all the prayers we've prayed together. I look forward to sharing more testimonies of His grace and mercy in the future. – **A.D. from South Sudan**

We have experienced the outpouring of Holy Spirit during these 10 Days of Prayer. I don't know how I can express my gratitude to God for this incredible experience. Each day our Bible study group divided up into small prayer bands and we spent solid time literally searching our hearts and applying God's Word to our daily lives. We have been so blessed. Thank you for 10 Days of Prayer. – **S.C. from the Middle East**
