

Prayers & Promises
for my
Future Spouse

If it's your will for me to marry someday, I PRAISE YOU Lord, that You can build my love story and my future marriage for Your glory. Help me to trust You, and wait on Your perfect timing so that when You bring the right person into my life, we will be that "three-fold" cord, which cannot be broken—because You are the Center!

I PRAISE YOU Lord, that You have given me the keys to a happy future marriage and the first key is crucifixion of self! Help me learn what it means to die to self today, to carry my cross today, and to humble myself before Your throne today!

I PRAISE YOU Lord, that You have given me the ultimate example of unselfish unconditional love! I don't have this kind of love naturally, Lord. But I know You can give this love to me even now as I pray for my future spouse and seek to love and serve those closest to me—even the least of these!

I PRAISE YOU Lord, that You've given Your blessing upon marriage. Help me to wait for that virtuous woman. Or help me to be that virtuous woman/man—who does my future spouse good and not evil, even today, before we've even met! Help me to save myself, body, mind, and heart for the future love that You want to give. Please choose for me!

I PRAISE YOU Lord, that You can build my future home and marriage to be a mighty influence for good. Help me not to rush ahead of Your plan. I want Your best! Help my future marriage to be a strength and blessing in the church for Your honor and glory! Stop me from walking down any path that would detract from this plan!

I PRAISE YOU Lord, that You have given me an example of what it means to be a servant! Teach me how to be a servant today to all those that I meet. Teach me how to serve and love my family today, so that I can serve and love my future spouse and family unselfishly!

I PRAISE YOU Lord, that You have everything needed to supply my deepest heart longings and needs. While my future spouse will add joy to my life, help me learn to always look to You FIRST for fulfillment, so that my happiness and confidence will be based in You rather than in a love relationship!

I PRAISE YOU Lord, that You are my rock and foundation. Help me to always be a stepping stone (rather than a stumbling block) to encourage my future spouse into a deeper love relationship with you. United as a couple may we bring many souls into the Kingdom! May we be stronger together for You than we have been on our own!

I PRAISE YOU Lord, that You promise when we honor You, we will be fruitful! May my future spouse, even today, be that fruitful tree planted by the rivers of water. In Your time, may our future marriage prosper and be fruitful, and a testimony of the God of miracles that we serve for You are good!
